I DONATED TO STRIDE COMMUNITY HEALTH CENTER

Ask me how you can too!

stridechc.org
Since 1989, STRIDE Community Health Center (STRIDE CHC) has been dedicated to affordable care, community health and wellness, and bettering the lives of the patients we serve. The vision of STRIDE’s founders was to develop a system of care spanning the entire circumference of the City of Denver. STRIDE’s vision has been expanded to include comprehensive medical, dental, behavioral health, care management, outreach and enrollment, and health education that addresses the needs of more than 50,000 individuals annually.

Did you know?

More than 90% of STRIDE CHC patients fall below 200% of Federal Poverty Level ($50,200 per year for a family of 4) and that an equal number are also uninsured or on Medicaid?

We provide care to patients who speak more than 100 different languages and who range in all ages.

Did you know that more than 1 in 4 STRIDE patients is under 18?

Other Ways to GIVE

STRIDE CHC accepts individual monetary and in-kind contributions throughout the year and donors can elect to restrict funds for certain service lines or programs or allow the organization to use the funds where they are needed the most. Gifts made in honor or in memory of someone will also be recognized by STRIDE. Cash or checks are welcome and online giving opportunities are available.

EMPLOYER MATCH PROGRAMS
If your business provides match donations with employee giving, STRIDE CHC would love to be a benefactor! Please let us know if we can provide information around our services or be involved in your giving efforts, as a company.

COLORADO GIVES DAY
STRIDE CHC participates in Colorado Gives Day, which falls on the first Tuesday in December annually. Monies raised on this day support identified programs or projects within the organization. This is a perfect opportunity for year-end gifts.

IN-KIND DONATIONS
In-Kind donations are equally as valuable to the organization as cash contributions and sponsorships. Donations can include: equipment that STRIDE CHC can value from and utilize; tickets to sporting events; gift certificates or gift cards to be utilized for employee recognition or with silent auction at fundraising events; or items that can be distributed to patients or community members during outreach events.

DONOR-ADVISED FUND
A Donor-Advised Fund (DAF) is a philanthropic giving vehicle that provides an immediate tax benefit to you and allows you to recommend grants to charities of your choice over time.

You can recommend a grant from your DAF by calling your fund manager, or by logging in to your granting institution and selecting STRIDE Community Health Center.

How do I give through a Donor-Advised Fund?
You can give in one of two ways:

1. Recommend a DAF through your financial institution or foundation
   • You can recommend a gift through your financial institution or foundation by contacting them;
   • The grant will arrive at STRIDE CHC, or another charity you name, with only the fund’s name and address on it unless you request otherwise.

2. Contact your fund manager
   • Call your fund manager and recommend that you would like to support STRIDE CHC, and how much the grant should be.
   • The fund manager will send a check directly to STRIDE CHC, or another charity you name, from your fund.

When granting through your DAF, please use the following information:
